5th Annual

3-D ARCHERY TOURNAMENT

Saturday, June 11 and
Sunday, June 12, 2016

BOWHUNTERS MAKING A DIFFERENCE

Bowhunters of Alabama (BHA), Heritage Archery Club, and the Breast Cancer Research Foundation of Alabama (BCRFA) have come together to bring you the 5th annual "Bow-Up Against Breast Cancer" 3-D Archery Tournament benefitting the BCRFA. Each one of us in some way or another has personally been affected by cancer. Our goal as archers, bowhunters and Alabamians is to generate funding for cancer research through our great sport of ARCHERY so one day a CURE for cancer can be found.

Thanks to the community support, BCRFA provides critical funding to aid the country's top scientists and promising breast cancer research at the University of Alabama at Birmingham's Comprehensive Cancer Center. The BCRFA helps the Cancer Center's research scientists secure additional research money to Alabama.

As the foundation heads into its 20th year of funding research and saving lives, we are proud to announce that BCRFA has donated almost \$6 million to the Cancer Center. Thanks to UAB's ability to leverage those funds from grants from national and federal funders, the impact of BCRFA's support is actually over \$80 million.

For the past four years, participants and sponsors of "Bow-Up Against Breast Cancer" have played a pivotal role in funding breast cancer research. During the event's first four years, support for BCRFA from Bow-Up has exceeded an amazing \$100,000 toward the battle against breast cancer.
