Bowhunters Making a Difference

Bowhunters of Alabama (BHA), Heritage Archery Club, and the Breast Cancer Research Foundation of Alabama (BCRFA) have come together to bring you the 6th annual ***Bow-Up Against Breast Cancer 3-D Archery Tournament*** benefitting the BCRFA.

Each one of us, in some way or another, has personally been affected by cancer. Our goal as archers, bowhunters and Alabamians is to generate funding for cancer research through our great sport of archery so one day a cure for cancer can be found. Thanks to community support, BCRFA provides critical funding to aid the country's top scientists and promising breast cancer research at the University of Alabama at Birmingham's Comprehensive Cancer Center. The BCRFA also helps the Cancer Center's research scientists secure additional research money to Alabama.

Since the inception of the event, *Bow-Up Against Breast Cancer* has played a pivotal role in funding breast cancer research with support for BCRFA reaching an amazing $110,000 toward the battle against breast cancer. Thanks to UAB's ability to leverage those funds from grants from national and federal funders, the impact of *Bow-Up Against Breast Cancer's* support to research is over $1.5 million.

For information about **competing in the tournament** contact: info@bow-up.org | bowhuntersofalabama@gmail.com
For information about **event sponsorship** contact: bcrfa@uab.edu | 205.996.5463
