About the Breast Cancer Research Foundation of Alabama

The Breast Cancer Research Foundation of Alabama is an independent 501C3 nonprofit organization supporting innovative research to help diagnose, treat, prevent and eradicate the disease. Since its inception in 1996, the BCRFA has contributed over \$8.7 million to fund research at the O'Neal Comprehensive Cancer Center at UAB and their collaborative partners. All funds raised stay here in the state of Alabama, but the research has a global, life-saving impact.
