8th Annual 3-D ARCHERY TOURNAMENT

Saturday, October 5 and
Sunday, October 6, 2019

Presented By

Bowhunters Making a Difference

Heritage Archery Club and the Breast Cancer Research Foundation of Alabama (BCRFA) have come together to bring you the 8th annual **Bow-Up Against Breast Cancer 3-D Archery Tournament presented by Nichols Outfitters** to raise money for breast cancer research.

Each one of us, in some way or another, has personally been affected by cancer. Our goal as archers, bowhunters, and Alabamians is to generate funding for cancer research through our great sport of archery so one day a cure for cancer can be found. Thanks to community support, BCRFA provides critical funding to aid the country's top scientists and promising breast cancer research at the O'Neal Comprehensive Cancer Center at UAB. The BCRFA also helps the O'Neal Comprehensive Cancer Center's research scientists secure additional research money to Alabama.

Since the inception of the event, *Bow-Up Against Breast Cancer* has played a pivotal role in funding breast cancer research with support for BCRFA reaching over \$167,000 toward the battle against breast cancer. Thanks to the O'Neal Comprehensive Cancer Center's ability to leverage those endowments from grants from national and federal funders, the impact of the local archery community's support to research is almost \$2 million.
